Another Evening of Tarot and Mystery

Have you ever wondered what lies ahead? Will you be rich? Or richer?? How about love, and work? What is in your future? From the late 18th century until the present time the tarot has been used by mystics and occultists in efforts at prediction or as a map of mental and spiritual pathways. We are bringing Tarot to you at Myong Gourmet for one evening of mystery, cocktails and fun.

With a long list of celebrity clientele and power players within the corporate world, 'Intuitionist Hollis' has been able to relate to people from all walks of life. Hollis is a warm, compassionate, and soothing individual with over 30 years of tarot card mastery who is very in tune with her clients and all of their deepest mysteries.
